BROSKI / WEST DELHI / 6 OCTOBER 2026

Manufacturer call guide — Hinglish

Broski ke liye sahi supplier kaise choose karein

West Delhi se launch | Manufacturer contacts | White label | Packaging | Quality | Price | Payment | 56 detailed questions

Yeh guide 6 October 2026 ki saved research par based hai. Public numbers website par mile the; humne kisi ko call/WhatsApp nahi kiya, factory audit nahi kiya aur koi price ya order book nahi kiya. Yeh NCR ke har manufacturer ki exhaustive list nahi hai.

Aapka working brief	Supplier ko kya batana hai
Product	Ek existing, documented dog reward-biscuit recipe; final suitability qualified expert se review hogi.
Pilot	500 accepted sealed packs × 200 g. Product factory mein fill, seal, label aur batch-code ho.
Location	West Delhi; exact delivery PIN quote maangte waqt dena hai.
Inventory target	₹75–95 per accepted landed pack sirf planning target hai, supplier quote nahi. ₹85 par 500 packs = ₹42,500.
Budget discipline	₹2 lakh poore business ka cap hai; poora paisa factory ko dene ka budget nahi. QA, legal review, marketing aur ₹30,000 reserve alag hain.

Important: kisi local candidate ki exact 500-pack biscuit capability, safety evidence, MOQ aur delivered price abhi approve nahi hue. Pehle screen karo, phir written quote, phir samples/evidence review; uske baad hi order decide karo.

Quick contact sheet

Company / area	Public number	Capability gap

Pehla sawaal: “Aap Spunky Pets biscuits ki actual manufacturing entity ho? Food plant ka address aur Broski private-label terms share kar sakte ho?” Payment-ready shortlist mein tabhi lao jab primary documents/evidence mil jaaye.

Call opening — bolne ke liye ready

“Hello, mera naam [naam] hai. Main West Delhi se Broski naam ka dog-treat brand start kar raha hoon. Mujhe ek existing documented dog-biscuit recipe chahiye jo aapki factory mein manufacture, pack, seal aur label ho. Pilot mein 500 accepted 200 g packs chahiye. Kya aap khud baked dog biscuits manufacture karte ho aur domestic white-label service dete ho?”

Agar haan: “Main pehle aapki capability, MOQ, sample aur quality documents samajhna chahta hoon. Please itemized written quote aur sample process share kar dijiye. Yeh enquiry hai, abhi order confirm nahi kar raha.”

Agar trader hain: “Actual biscuit manufacturer ka naam, food-plant address aur traceability kaise milegi? Manufacturing agreement aur QA responsibility kiski hogi?”

Agar sirf chews/soft treats hain: “Theek hai, us product ka separate catalogue bhejiye. Main biscuit pricing ya feeding guidance us par apply nahi karunga.”

Detailed questions 1 / 4

A / Factory aur white-label fit

1. Aap actual biscuit manufacturer ho ya trader/brand owner? Biscuit baking line kis entity ki hai?

2. Food factory ka exact address aur legal selling entity kya hai? GST/invoice aur bank beneficiary kis naam par honge?

3. Aap baked dog biscuits banate ho, ya soft chews/dehydrated treats? Existing biscuit SKUs ka catalogue bhej sakte ho?

4. India domestic startups ko private label dete ho? Apne brand ke pack par Broski label aur marketer details allowed hain?

5. Appointment par factory visit ya live video walkthrough possible hai? Kaunse manufacturing/quality documents review ke liye milenge?

6. Existing private-label customer references permission ke saath share kar sakte ho? Confidential names disclose karne ki zaroorat nahi.

7. Aapka sales aur quality contact kaun hai? Written quote approve karne aur complaint resolve karne ka authority kis ke paas hai?

B / Recipe aur dog suitability

8. Existing validated biscuit recipe ki full ingredient list, allergens aur recipe revision kya hai?

9. Yeh complementary treat hai ya complete food? Intended dog age/size aur use limitations kis basis par hain?

10. Feeding quantity aur calorie information kis qualified reviewer/data se supported hai? Hum final expert review karwa sakte hain?

11. Biscuit ka size, texture, breakability aur crumbs kitne hain? Actual piece/pack samples mil sakte hain?

12. Ingredients ki specification aur supplier traceability available hai? Cross-contact/allergen controls kya hain?

13. Flavour, shape, ingredient supplier ya pack change karne par kaunsi validation dobara karni padegi?

14. Bina written approval ke recipe/ingredient/pack substitution rokne ka change-control agreement karoge?

Detailed questions 2 / 4

C / MOQ, quantity aur samples

15. MOQ per recipe, pack size aur artwork kitna hai? 500 accepted sealed 200 g retail packs possible hain?

16. Agar MOQ cartons mein hai, ek carton mein kitne packs aur total net kilograms kitne honge?

17. Smaller documented pilot possible hai? 250 aur 500 accepted packs ki separate quote mil sakti hai?

18. Sample fee, courier, quantity aur sample lead time kya hai? Sample final production recipe/pack jaisa hoga?

19. 100 kg net retail fill ke alawa process loss, overfill, factory/lab retained samples aur rejects ka allowance kaise calculate hoga?

20. 500 accepted packs humare delivery count mein honge? Factory-retained samples extra hain ya is count se nikalenge?

21. Weight tolerance, short count, broken biscuits aur rejected packs ki acceptance/replacement conditions written mein kya hongi?

D / Quality, safety aur shelf life

22. Batch COA aur relevant lab reports milenge? COA mein kaunse tests aur kaunse batch/recipe details honge?

23. Tests ki lab, matrix aur method accreditation ka scope kya hai? Hum independent qualified lab/expert se review karwa sakte hain?

24. Microbiology, moisture/water activity, oxidation aur ingredient-specific contaminants ka protocol kaun decide karta hai?

25. Process hygiene, pest control, allergen management aur ingredient/batch traceability ke records available hain?

26. Shelf life exact recipe + final pouch + storage conditions par tested hai? Existing data kaunsi conditions mein transfer ho sakta hai?

27. Accelerated aur real-time stability mein kya evidence hai, aur proposed best-before ko kaun approve/sign karega?

28. Batch release se pehle stock hold/inspection possible hai? Failed test ya suspected contamination par complaint/withdrawal procedure kya hai?

Detailed questions 3 / 4

E / Primary pouch, labels aur cartons

29. 200 g actual biscuit fill ke liye kaunsa opaque/metallized stock pouch recommend karoge? Empty sample sizes milenge?

30. Pouch ki layer structure, thickness/tolerance, food-contact/migration documents aur traceability kya hai?

31. Oxygen/moisture barrier values, test conditions aur relevant shelf-life evidence share kar sakte ho? Sirf “food grade” label sufficient nahi hoga.

32. Zipper ke upar factory heat seal, coding aur seal-integrity check hoga? Sealing parameters ka record kaise maintain hoga?

33. Front/back labels, adhesive, print finish, coding window aur final proof ka approval process kya hai?

34. Pack par manufacturer, marketer, quantity, MRP, dates, batch, consumer care aur applicable declarations ka reviewer kaun hoga?

35. Master cartons aur customer shipping boxes ka cost alag dikhaoge? Pouch MOQ/order increments aur spare packaging ki ownership kya hogi?

F / Complete cost aur payment

36. Product, pouch, paired labels, filling, sealing, coding, cartons, tax aur West Delhi inward freight separately quote karoge?

37. One-time recipe development, sample, testing, artwork/cylinder, wastage aur setup charges kya hain? Kya koi hidden minimum hai?

38. Recurring landed cost ko accepted retail packs se divide karke per-pack quote doge? Bulk ₹/kg aur packed retail quote alag rakho.

39. Quote validity aur tax/invoicing treatment kya hai? Accountant ko required invoice details milengi?

40. Deposit aur balance milestones kya hain? Specification, sample, artwork aur QA scope pass hone ke baad hi commitment possible hai?

41. Payment verified contracting entity ke bank account mein hoga? Purchase order, agreement aur receipt doge?

42. Defect/reject replacement, refund/credit aur replacement freight ka responsibility split kya hoga?

Detailed questions 4 / 4

G / Timeline aur dispatch

43. Sample, expert review support, artwork proof, production aur dispatch ki separate realistic dates kya hain?

44. Delay hone par written update, revised schedule aur cancellation/deposit treatment kya hoga?

45. Delivered batch ki remaining supported shelf life kitni hogi? Manufacturing date aur expiry data shipment se pehle milega?

46. Actual packed dimensions/weights, cartons count aur damage-resistant dispatch packing share karoge?

47. Delivery kis carrier/route se hogi? Inward freight insurance, transit damage aur lost shipment ki responsibility kya hai?

48. Reorder lead time, MOQ aur pricing review kya hoga? Same recipe/pack consistency written agreement mein maintain hogi?

49. Production ready hone ke baad acceptance documents/photos aur agreed release approval ke bina shipment roka ja sakta hai?

H / Agreement, claims aur after-sales

50. Brand/logo aur artwork rights Broski ke rahenge? Standard recipe aur custom-development IP ownership clearly define karoge?

51. Label par kaunse claims evidence se supported hain? Unsupported vet-approved, therapeutic, dental ya certification claims print nahi karoge?

52. Applicable permissions/registrations aur certificate validity ka evidence doge? Hum relevant local adviser se applicability verify karenge.

53. Serious product complaint par quality contact kitne time mein respond karega? Lot-wise buyer traceability mein cooperate karoge?

54. Withdrawal/recall mein investigation, communication, replacement aur cost responsibility ka agreed process kya hai?

55. Quality dispute par sealed retained samples, independent testing aur remedy process kaise chalega?

56. Saari agreed specifications, no-substitution rule, price, output, dates, QA/label approval aur defect terms signed agreement/PO mein doge?

Written enquiry — copy/paste ready

Subject: Broski West Delhi pilot — 500 × 200 g dog-biscuit packs

Hello [contact name], main [naam], West Delhi se Broski dog-treat brand ke liye manufacturing partner evaluate kar raha hoon. Please confirm karein ki aap apni facility mein baked dog biscuits manufacture karte hain aur India domestic private label offer karte hain.

Humein ek existing documented reward-biscuit recipe chahiye, 500 accepted sealed 200 g packs mein, aapki factory par approved barrier pouch + front/back labels + batch/date coding ke saath. Delivery PIN: [PIN].

Please share karein: legal selling entity aur biscuit-plant address; recipe/ingredients/allergens; intended feeding/use information; final-pack stability evidence aur batch QA/COA; product-specific MOQ; sample quantity/fee/courier; complete itemized landed quote; one-time costs; realistic approval-to-dispatch schedule; payment milestones; rejects/replacement/recall cooperation terms.

Please biscuit capability ko chews/dehydrated treats se alag clearly mention karein. Pouch ki laminate/barrier/contact suitability aur actual-fill sample proof bhi chahiye. Hum specification, expert QA scope aur final artwork review ke baad hi order decision lenge.

Planning target ₹75–95 per accepted landed pack hai, safe aur appropriate scope ke subject to. Yeh agreed price nahi hai. Agar 500 packs possible nahi hain, smallest suitable pilot ki separate quote bhej dijiye. Yeh enquiry hai; production ya printing authorize nahi ki ja rahi. Thank you, [naam / business contact].

Follow-up after agreed response date

“Hello [naam], Broski biscuit enquiry ka follow-up kar raha hoon. Kya own baked-biscuit line aur domestic white label confirm ho gaya? Please pending MOQ, sample terms, documents aur itemized quote ka response date bata dijiye.”

Quote comparison aur decision sheet

Field	Supplier A	Supplier B	Supplier C
Own biscuit plant / actual factory	Fill	Fill	Fill
Legal entity / beneficiary checked	Yes / pending	Yes / pending	Yes / pending
500 accepted 200 g packs	Yes / alternative	Yes / alternative	Yes / alternative
Recipe + final-pack QA evidence	Details	Details	Details
All-in inventory invoice	₹	₹	₹
Separate one-time sample/lab costs	₹	₹	₹
Accepted-pack landed cost	₹ / pack	₹ / pack	₹ / pack
Deposit / balance milestones	Terms	Terms	Terms
Supported shelf life / dispatch date	Evidence / date	Evidence / date	Evidence / date
Reject / damage / recall terms	Terms	Terms	Terms

Formula: recurring gross inventory invoice ÷ accepted retail packs = landed recurring pack cost. Included pouches, labels aur inward freight ko budget mein dobara add mat karo. Customer-order shipping material alag hota hai. QA/lab costs quote mein included hain toh scope verify karke duplicate setup allocation remove karo; assumption par nahi.

MOQ mismatch ya ₹95 se upar quote par automatically supplier reject karna zaroori nahi; landed economics aur poora ₹2 lakh cash envelope dobara calculate karo. Quality evidence aur protected reserve compromise karke low price chase mat karo.

Call ke baad exactly kya karna hai

1. Call log banao: date, contact name/role, company, product format, factory identity, MOQ, sample fee, documents pending aur next response date.

2. Pehle comparable written quotes lo. Biscuit, chew aur dehydrated products ko same comparison mein nutritional/price equivalent mat maan lo.

3. Qualified expert/lab aur local adviser se recipe, pack, evidence, label aur required operating scope review karwao. Public certificate claim se automatic approval nahi milta.

4. Approved sample order lo; actual product, pouch fit, seal, coding, breakage aur transit conditions check karo. Taste/fit trials shelf life prove nahi karte.

5. Final specification + artwork + evidence requirements + acceptance terms agree hone ke baad hi manufacturing commitment decide karo.

6. Payment se pehle contracting entity, invoice aur beneficiary match verify karo. Unexplained mismatch, traceability refusal ya pressure deposit par commercial progression rok do.

7. Finished batch receive karke hold/check aur documented release karo; sirf tab real storefront product facts aur stock update karo.

8. Agar NCR mein suitable documented biscuit pilot nahi milta, national OEM comparison lo ya run/schedule reduce karo. Sirf nearby hone ke kaaran unverified product buy mat karo.

Sensible answer vs red flag

Topic	Useful answer	Concern
Factory	Named plant + documents + appointment	Factory identity unclear / trading hidden
Shelf life	Exact recipe/pack evidence + reviewer	Generic “12 months” without evidence
Price	Itemized dated written quote	Only ₹/kg with packing/tax unexplained
Payment	Verified company + milestones	Unrelated beneficiary / urgent deposit pressure
MOQ	Clear actual units and pilot alternatives	Cartons mentioned but pack count unknown

High MOQ ya delayed reply apne aap fraud ka proof nahi hai. Questions ka purpose clear evidence aur suitable commercial fit establish karna hai. Is PDF ke basis par kisi supplier ko approved ya booked mat samjho.
