FOR THE PRINTER

Pages 2–3: specs and dieline

Pages 4–7: proofs with guides

Page 8: checklist and sign-off

Print-ready 1:1 files: Broski_Print_Ready_Artwork.pdf

v1.0 · 12 Oct 2026 · Broski, New Delhi

Visuals are flat artwork on a pouch outline, not photographs.

Printer brief

Everything needed to quote, print and pack. Anything in magenta is a placeholder to fill before print.

Item	Specification
Format	Stand-up pouch (doypack) with bottom gusset, press-to-close zipper, tear notches both sides, rounded corners
Size (flat)	200 mm W × 300 mm H + 80 mm bottom gusset (for 400 g dry biscuits). Confirm fill height with a sample pack.
Material	Matte BOPP 18 µ / Metallised PET 12 µ / LDPE 60–80 µ (about 100–120 µ total), food-grade, good oxygen and moisture barrier
Print	4-colour CMYK + white ink base under all artwork (MET PET shows silver where no white). Digital (HP Indigo) for short runs; rotogravure for 10,000+.
Finish	Full matte. Optional: spot gloss on the BROSKI wordmark and dog face.
Gusset	Solid flavour colour (same CMYK as panel), no text.
Batch print	White stamp box on back left blank for inkjet or rubber stamp: Baked in (MM/YYYY), Best before, Batch no.
Quantity	[As per purchase order – e.g. 500–1,000 per flavour for first custom run]
Files	Print-ready PDF, 1:1, 3 mm bleed, crop marks, fonts embedded, all vector. Refit to your exact dieline – do not redraw.
Proof	Send digital proof on your dieline + one physical colour proof before the full run.

COLOURS (CMYK)

Peanut Butter pouch
C10 M72 Y88 K18 #B5532F

Chicken pouch
C14 M40 Y92 K6 #C9922C

Wordmark, face, text
C2 M6 Y16 K0 #F8EEDB

Light ear
C22 M68 Y95 K22 #9A4F22

Dark ear / eye patch
C45 M70 Y80 K62 #45291A

Eyes, nose, back text
C50 M70 Y75 K78 #2A1A10

Match to the approved physical proof, not to a screen. HEX values are for screen only.

BEFORE YOU PRINT

1. Replace every magenta placeholder (ingredients, addresses, consumer care, EPR no., QR, barcode) – then delete the magenta.
2. Net quantity “400 g” on the front: numerals are 6.4 mm tall (legal minimum for 200 g–1 kg is 4 mm). Do not shrink.
3. Keep all text inside the safe zone (page 3). Nothing in the zipper band, seals or bottom gusset fold.
4. Proof guides (cyan/magenta/yellow overlays on pages 4–7) are NOT printed. The print-ready file has no guides.

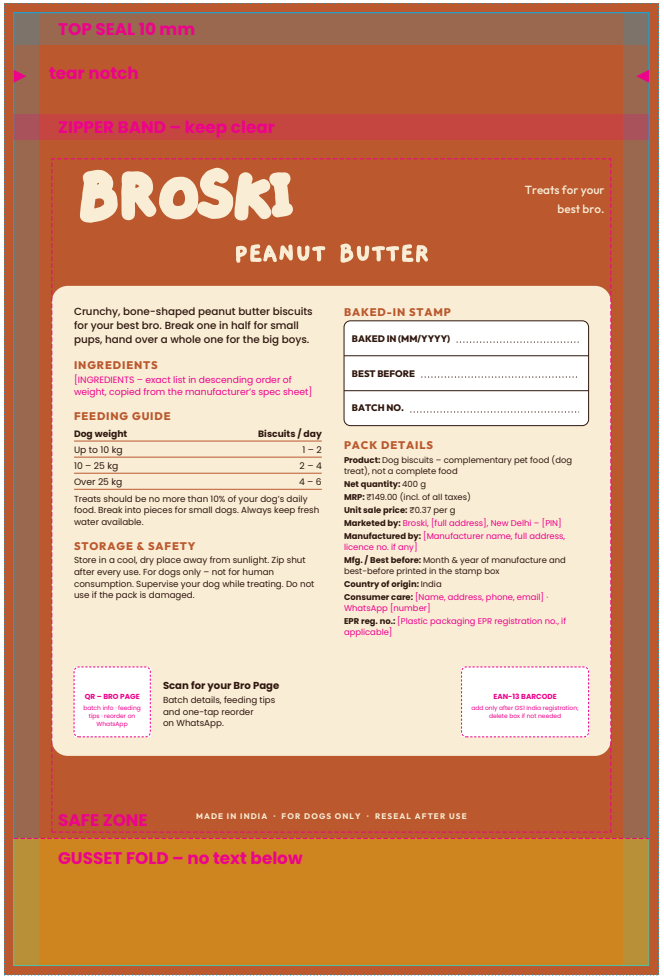

Dieline & safe zones

Standard 200 × 300 mm + 80 mm gusset. Your factory dieline wins – send it and the artwork will be refitted.

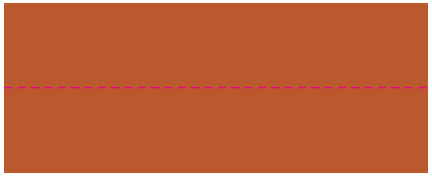

FRONT

BACK

BOTTOM GUSSET (flat)

200 × 80 mm, folds at centre line.
Solid flavour colour, no text.

GUIDE KEY

- Seals: 8 mm sides, 10 mm top
- Zipper band 8 mm (32–40 mm from top)
- Gusset fold zone: bottom 40 mm
- Dashed magenta: safe zone / fold line
- Cyan: trim; dotted cyan: 3 mm bleed

Tear notches 20 mm below the top edge on both sides. Optional hang hole: Ø 8 mm, centred, 15 mm from top (inside the top seal).

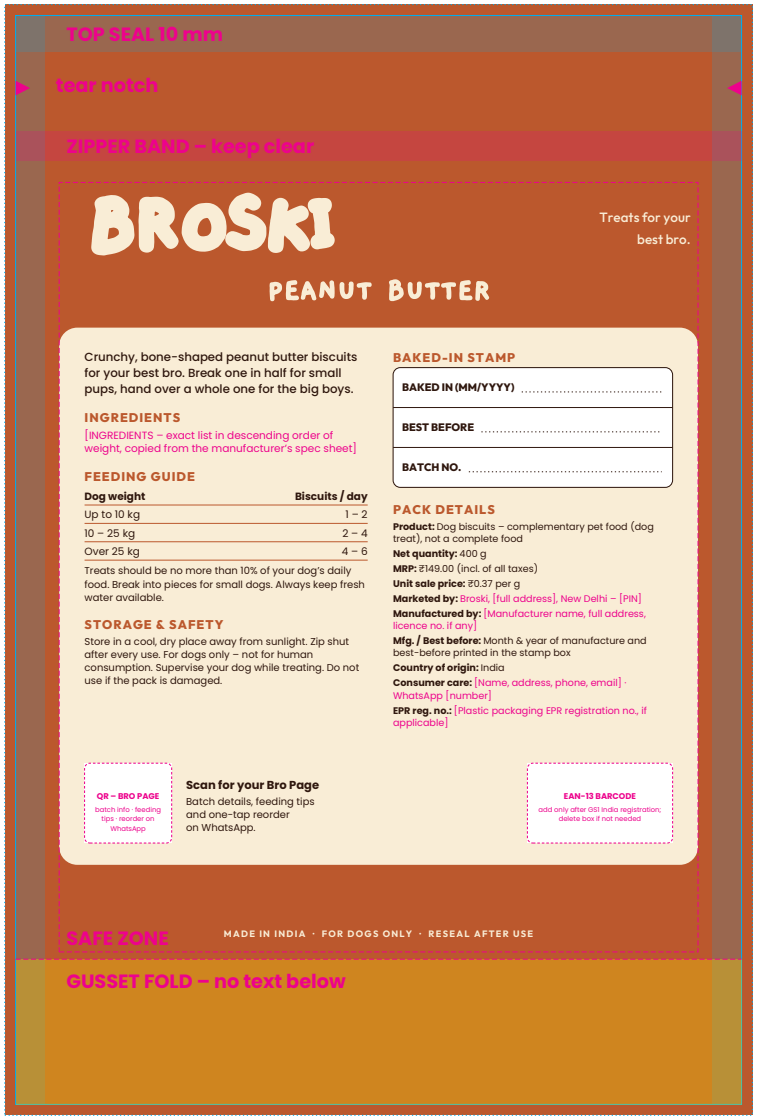

Proof – Peanut Butter 400 g

Front and back at 48 % with guides. Check spelling, colour and placement here; print from the 1:1 file.

FRONT (principal display panel)

BACK

CHECK ON THIS PROOF

- Wordmark, dog face and flavour name centred on the front, clear of the zipper.
- Net quantity 400 g on the front, numerals at least 4 mm tall.
- MRP ₹149.00 and unit sale price ₹0.37 per g on the back.
- Magenta text and boxes replaced with real details.
- Stamp box left white (white ink) for the bake date and batch no.
- Flavour colour on the gusset matches the panel.

Panel + gusset colour

Batch-1 sticker labels

For the first run on plain stock pouches. Front 90 × 110 mm, back 90 × 130 mm. Matte or kraft-look paper, permanent adhesive.

Front – Peanut Butter

Front – Chicken

Back – Peanut Butter

LABEL SPEC

- Shown at 74 %. 1:1 files with crop marks are in the print-ready PDF.
- Back label is the same for both flavours except name, colour and ingredients (chicken version in the print file).
- Print CMYK, 3 mm bleed, die-cut with 3 mm rounded corners.
- Paper: matte white or kraft-look PP sticker (water and grease resistant).
- Leave the stamp box white for the bake date and batch.

Full range – design system

Same layout, one colour per flavour. Launch with the first two; the rest are ready when you add flavours. Not part of this print run.

Fill-in sheet, checklist & sign-off

Send this page back with the details. The artwork is then updated and re-issued as v1.1 for print.

Field	Where	Value to fill
Ingredients – Peanut Butter	Back panel + back label	[from manufacturer spec sheet, descending order]
Ingredients – Chicken Sunday Bites	Back panel + back label	[from manufacturer spec sheet, descending order]
Manufactured by	Back – pack details	[name, full address, licence no.]
Marketed by (Broski) address	Back – pack details	[full address with PIN]
Consumer care	Back – pack details	[name, address, phone, email, WhatsApp]
Best before period	Stamp (each batch)	[e.g. X months – from shelf-life test]
EPR registration no.	Back – pack details	[if Broski is the brand owner under plastic EPR]
QR link (Bro Page)	Back panel	[final URL – test scan before print]
EAN-13 barcode	Back panel	[GS1 India number, or delete box]

PRE-PRESS CHECKLIST

- ☐ Dieline from pouch maker received
- ☐ Artwork refitted to dieline
- ☐ All magenta placeholders replaced
- ☐ Spelling and prices checked
- ☐ Net qty numerals ≥ 4 mm
- ☐ White ink layer set up
- ☐ Digital proof approved
- ☐ Physical colour proof approved
- ☐ Sample pouch filled with 400 g

DO NOT ADD WITHOUT PROOF

No “vet approved”, “healthy”, “dental”, “human-grade”, “FSSAI approved”, “grain-free”, “preservative-free” or reviews/ratings on pack unless there is written evidence (lab report, certificate, or a real vet’s signed endorsement). Ask Broski before adding any claim.
